

Camp Explore 2026

Summer Kickoff Vibes Week

A fun and exciting **summer camp kickoff** that builds Explore spirit and excitement for the summer experience ahead! Participants will help decorate the camp banners, signs, and summer décor while learning about camp rules, routines, and weekly themes. This week focuses on teamwork, friendship, pride in the Camp Explore experience and creating a welcoming camp environment through games, music, crafts, and group activities.

Senses & Sensory Week

This week explores the five senses—sight, sound, smell, touch, and taste—through hands-on and calming activities. Participants will enjoy sensory crafts, movement, music, and relaxation while learning how different sensory experiences help them feel calm, focused, and happy.

Move & Glow Week

A high-energy week focused on movement, health, and feeling good! Participants will engage in fun physical activities, dance, stretching, and outdoor play. This week encourages healthy choices, body awareness, confidence, and teamwork while celebrating the joy of staying active.

STEM-tastic Week

A week full of curiosity, problem-solving, and discovery! Participants will explore basic science, technology, engineering, and math through simple experiments, building projects, and hands-on learning. Activities promote critical thinking, creativity, and teamwork in a fun and supportive way.

Tropical Escape Week

Participants will “travel” to tropical destinations through colorful crafts, music, games, and cultural activities. This relaxing and fun week focuses on imagination, creativity, social interaction, and learning about island life, weather, animals, and traditions.

National Geographic Week

An exploration of the world, nature, and wildlife! Participants will learn about animals, habitats, and different places around the globe through videos, crafts, and interactive activities. This week encourages curiosity, respect for nature, and appreciation for the world around us.

Superhero Week

A confidence-boosting week all about strengths and positive choices! Participants will explore what makes a hero, discover their own special abilities, and practice kindness, teamwork, and responsibility. Activities include superhero crafts, games, and discussions about helping others.

Best Summer Week

A celebration of favorite summer memories and activities! Participants will revisit highlights from the summer, enjoy their most-loved games and crafts, and reflect on what they learned. This week focuses on gratitude, friendship, confidence, and ending the summer on a happy note.
